

# BWSC QHSE Policy Statement

The QHSE policy is BWSC's statement of intent in BWSC's approach to Quality, Health, Safety and Environment.

Committed to creating a workplace in which People and the Environment are protected from harm.

Committed to the mental and physical wellbeing of anyone who works, at any time, within our community.

Act safely and responsibly, meeting the agreed Quality standards, ensuring suitable time and resource is provided to plan and execute work in a safe, consistent and collaborative manner.

Continually improve the quality of our processes and systems to meet or exceed legal, regulatory and stakeholder requirements.
